

Dear Folks:

Well we arrived home

OK. Sun. night at 10. P.M. 18

Bob went to work last night

The boys were fine & Gertrude

is working for the Co. as well.

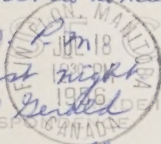

So I have more lunches to

make, & big ones.

They've had lots of rain here  
so the garden looks quite good  
but not like grass of course.

Thanks so much for the  
swell time you folks gave us.  
We shall always remember  
it. Greet Fern and all.

Love from Bob & Len.
